KNEELING beside the drinking fountain, recently installed at Albany High School in memory of their uncle, Jeff Arnold, are Laurie and Lewis Arnold. Standing (l. to r.) are: Mayor Lewis Howell, who officiated at the ceremony; Jon Arnold, a brother; mother, Mrs. Frances Arnold; Vaughn Nordby, Jeff's best friend; another brother, Jim Arnold, father of Laurie and Lewis, and Rita Pruy, Jeff's girl.

Friends Give In Memory of Jeff

"In Memory of Jeffery Mat-
thew Arnold, 10-5-53, 5-8-73,"
reads the plaque on the newly-
installed drinking fountain at Al-
bany High School, recently dedi-
cated to the memory of a young
Albany youth, who was killed in
a motorcycle accident near his
home, less than a year after his
graduation from Albany High
School.

The fountain, paid for by do-
nations from Jeff's many friends,
both old and young, was installed

near the high school's basketball
and tennis courts, an area where
he and his friends had spent
many happy hours.

Bud Rooney, Director of the Al-
bany Park and Recreation Dept.,
assisted with plans for the me-
morial, and Albany Mayor, Lew-
is Howell officiated at the dedica-
tion.

The Mayor, who indicated he
had been a friend of the Arnold
family for many years, said: "I
wish to thank all of Jeff's friends
and his family for giving this
fountain to the City of Albany.
It is a fine memorial for the

young man, and will be used by
our youth."

Funds remaining from foun-
tain donations will be used to
form a nest egg for another me-
morial to Jeff — a living me-
morial in the form of a grove of
trees to be planted in the Laurel
area of Tilden Park. Anyone
wishing to contribute should
send their donation to: Jeffery
Arnold Memorial Fund, 1252 So-
lano Ave., Albany, 94706.

Public Invited to Join AMEA Trip

The Albany Municipal Employ-
ees will sponsor a South Shore
Tahoe trip on Saturday and Sun-
day, Oct. 13 and 14, and the pub-
lic is invited to join in the fun.

The bus will leave from the Al-
bany City Hall parking lot at 7
a.m., Saturday and return at ap-
proximately 8 p.m., Sunday, with
reservations on a first-come, first-
served basis.

Cost per person will be \$20 for
double occupancy and \$21 each
for double occupancy with twin
beds. Accommodations will be at
the Holiday Lodge, within walk-
ing distance of all the clubs and
casinos.

The \$20 will also include round-
trip transportation, a refund of
\$2 cash and a \$3 Sunday Brunch
at Harrah's, a tip for the bus
driver, and refreshments on the
return trip.

Deadline for making reserva-
tions is Sept. 20, and since seats
are limited, it is advised that
those interested call Marietta at
525-7409 or Ray, 525-7141.

Hill Complex Funds Get OK

With the City Council's approv-
al, two weeks ago, of the tenta-
tive map of Tract 3528, and last
week's announcement that the
construction loan of \$22.7 million
had been approved, Interstate
General Development Corpora-
tion has announced they have be-
gun the first phase of what will
eventually be a \$100 million high-
rise planned community on Al-
bany Hill.

The first phase, which accord-
ing to Eugene Hill, vice-president
of IGDC, will contain 529 con-
dominium units, plus a recrea-
tion and health complex, is ex-
pected to be ready for occupancy
in approximately 18 months.

The completed project will
contain 2,500 units, and will be
constructed over seven to ten
years, at a cost of approximately
\$100 million, and is expected to
be one of the largest residential
complexes in the Bay Area.

Sign-ups Open For Basketball

Signups for Catholic Youth Or-
ganization Basketball will be held
at St. Ambrose Church, on Gil-
man St., between Cornell and
Stannage in Berkeley, on Wed-
nesday and Thursday, Sept. 5 and 6,
between 7:30 and 8:30 p.m.

All 4th through 8th grade boys
living in Albany, or in the St.
Ambrose Parish area are eligible.
Third graders, interested in pre-
paring for next year, will also be
welcome.

Those unable to attend the
sign-ups, but interested in play-
ing, should contact Andy Heffer-
non, at 526-7726.

Cal. Admission Day Parade Scheduled

"Golden Land" is the theme
chosen for the California Admis-
sion Day Parade, to be held Sun-
day, Sept. 9 in Concord, com-
mencing at 9 a.m.

Sponsored by the Native
Daughters and Native Sons of
the Golden West, Berkeley Parlor
No. 150 plan to participate with
their share of decorated "wheels."

Parlor No. 150 president, Ge-
nevieve Bowman will ride in a car
driven by her husband, Ralph, ac-
companied by Mrs. G. Reynolds
and Miss Jean Cassebohm. Others
include former Grand State
Trustee and member of Berkeley
Parlor No. 150, Mrs. Paul Mc-
Guire and her twin grandchild-
ren, as well as the grandchild-
ren of Mrs. Lewis Wood, Admis-
sion Day chairman for the Berke-
ley Parlor.

Mr. and Mrs. Bowman's daugh-
ter, the former Miss Berkeley of
1962, and now Mrs. Gregory
Gustad will also appear in the
parade, accompanied by her
daughter Genevieve Lynn. Dur-
ing her reign as Miss Berkeley of
1962, Madeline rode in a float,
representing her City, in prac-
tically every parade taking place
in the northern and central part
of the State at that time.

Albany Police Concerned About City's Bike Riders

Because of the many bicycle
thefts occurring throughout the
State, and because approximately
100 bicycles have been stolen in
Albany during the past six
months, Albany Police Chief,
James Simmons, has announced
that the Police Department is
joining the new program to iden-
tify bicycles through a state-wide
computer system, much the same
as stolen cars are now identified.
The Chief has also announced
that he has appointed Officer
John Ford to be in charge of the
Bicycle Detail.

However, only bicycles that
have been licensed and have an
identifying number stamped on
the frame will be able to be iden-
tified when it is suspected they
have been stolen or lost. Albany
bicyclists who have not had their
bikes licensed and stamped may
have this service performed at
the Albany Fire Department,
Buchanan and Marin, from 1:30
to 5 p.m., daily except Sundays
and holidays.

It is the present policy in Al-
bany to hold bicycles recovered
in the City for a period of 90
days and then auction them
off, if they cannot be identified
and returned to their owners.

That Police Department is also
concerned about the problems of
bike riders, and, because more
people are now riding bicycles,
the Department feels that more

With this week's edition, the Albany Times will be
entering another year of publication.

We would like to thank all our advertisers for their
continued support during the years, and also our readers, whose
continued interest, encouragement and support to us, as well
as to our advertisers, is doubly appreciated.

As in the past, the Albany Times would like to reiterate
its devotion to the City of Albany—first, last and always, and
its wholehearted support of any movement or organization
which strives to boost Albany business firms. And again, the
Albany Times urges its readers to support local merchants.

CITY OF ALBANY PARK & RECREATION DEPARTMENT Schedule of Activities

1000 San Pablo Ave. — Office Hours 8:30 a.m. - 5 p.m.

The Albany Parks and Recreation Department is sponsoring the Peter Pan Club, The Peter Pan Club program is a specialty program for young people 5 to 8 years of age to be held daily from 2 to 5 at the Albany Community Center in University Village. The 2 o'clock scheduling was made to accommodate quarterly changes in the school system. Children can be registered at the Recreation Department for the program which will begin September 11. The fee is \$30 for each four week session.

Program will include cooking for both boys and girls, arts and crafts using both new and scrap materials, once a month bus excursions, library, joint activities with other groups, birthday parties, contest games, indoor and outdoor games and free play, music and rhythms. Boys' activities including wiffleball, girls' activities including sewing, simple macrame, daily exercises, story-time and twice a month special activity days.

The goals of the programs are to expose children to new interests, activities and experiences and to provide an opportunity for them to form close friendships.

During warm weather, we will spend a great deal of time in the out of doors. Snacks will be provided each day and special treats once a week, when the children prepare them on cooking day.

AFTER SCHOOL PLAYGROUND PROGRAM

The Albany Parks and Recreation Department After School Program will be held at Vista, MacGregor, and Cornell School Playgrounds beginning September 11. The playground is supervised from 3 to 5 daily and children in grades K through 4 are encouraged to participate. Included in the After School activities are trips, parties, arts and crafts and inner school games.

Game awards are awarded monthly to winning contestants.

PET SHOW

The Albany Park and Recreation Dept. held its annual Pet Show Friday, Aug. 17 at Memorial Park. A variety of pets and their owners turned out to make it a very enjoyable event for all.

There were a number of categories and the winning pet owners were: Cats—cutest, 1st, Drinda Brown; 2nd, Victoria Bryant; 3rd, Vicky and Denise Hamma. Biggest—1st, Kim Adams; 2nd, Peter Wolf; 3rd, Mary Ryan. Smallest—1st, Jill Porterfield; 2nd, Margaret Flint; 3rd, Carla Alferness.

Dogs: Outstanding—1st, Jill Porterfield; 2nd, John Nevraumont; 3rd, Heather and Paul Johnson. Biggest—1st, Kevin and Chris Reed; 2nd, Pam Hohmann; 3rd, Chris Leahy. Smallest—1st, Brent Barnett; 2nd, Sharon Childs; 3rd, Paul Quayre.

Reptiles—1st, Paul Quayre; 2nd, Peter Wolf. Most unusual, 1st, Laurie Arnold. Best Pet—1st, Paul Quayre; 2nd, Heather and Paul Johnson; 3rd, Carla Alferness.

MEMORIAL PARK

Fitness was the key to Memorial Park's 3rd session Day Camp. A half-mile jogging session started each morning, with the directors "puffing along" behind. Next, horseshoes and ping-pong tournaments took place—with the champions yet to be determined.

Crafts featured ceramic molds, marble menagerie crafts and

Do You Have Room For An Abused, Neglected Child?

Do you have room in your family for one more child? If so, why not make your next one, one of ours. Be a foster family. Children who have been abused, neglected, or abandoned by parents with problems need your help. They need the stability, security and love that comes with being a part of a healthy family. It takes a lot of time, patience, and understanding to heal the emotional scars these children bear; however, the reward comes in knowing you have done your best and in seeing a child progress.

Alameda County Human Resources Agency needs foster homes for Tim, Anna, and Don. Tim is an appealing, loveable, racially mixed child, 8 years of age who has been rejected by his own parents. He needs warm, loving,

beautiful decapage pictures. Crafts also centered around leather belts and purses, clay work, macaroni pictures and pyroclastic bands.

The Whiffle Ball (world series) was held Monday at Memorial Park at 1 p.m., and on Tuesday the Day Campers went to Terrace Park for a gigantic fruit salad feed. Wednesday's swim day was highlighted by water games and contests. Thursday's cooking class baked and decorated cupcakes, and on Friday there was a trip to Angel Island, with fun in the sun and boat riding highlighting the day.

TERRACE PARK

A scary host of ghouls recently invaded Albany as the Mad Scientist of Albany Library held a Monster Parade.

Televised by KTVU, the event included Peter Pan Club, Memorial and Terrace Park Day Campers. A mask-making session was held Tuesday afternoon at the library, followed by a Solano Avenue parade on Wednesday. Terrace Park then held a contest for the spookiest Monster Mask. Winners were: Libby Knight, 1st; Jackie Selby, 2nd; and Norman Dean, 3rd. All Day Campers participated and had a Monstrous Time!

demonstrative foster parents who can cope with his tremendous need for attention and who can set firm limits that will withstand Tim's testing. Tim needs to be a school with good educationally handicapped program as he is having serious learning problems. Tim's placement in a foster home will probably be long term perhaps until he reaches maturity. Many of his problems will no doubt turn themselves out if we can find Tim a family that will help him feel secure and cared for.

Anna is a friendly, outgoing, attractive, active 7-year old child of Mexican descent who has been abused. She is a very insecure youngster who can be stubborn, demanding of attention, and extremely competitive with her peers. Anna needs to be part of a small family, the youngest or only child. She needs foster parents who are accepting, patient, loving, firm and understanding. Anna is behind in school but has the potential to do better if she is settled on a permanent basis in the appropriate foster home.

Don is a nice looking Caucasian child, 7 years of age. He has a history of severe abuse and neglect. At home he set several fires, a reaction to his poor home situation. Don has difficulty getting along with other children; he battles and does not know how to play. He tries hard but does not readily succeed and will no doubt need psychiatric help once he is placed.

Do you have room for another child? Can you give Tim, Anna, Don, or another child a home? Mrs. Joyce Goris, Foster Home Recruiter for Alameda County wishes to talk with anyone who is interested in providing a foster home. Call her at 874-7493 for further information.

Small Boaters' Fatalities Up

The California Dept. of Navigation and Ocean Development, the State's boating agency, has released a report showing an alarming upward trend in California boating fatalities over last year, citing 67 deaths in the first six months of 1973, as compared to 50 for the same period last year.

"While there is a 12 percent drop in boat accidents and an even larger drop in injuries," said Guy M. Ricksecker, Boating Safety Supervisor, "we are suddenly experiencing a greatly increased number of deaths per accident."

For the first six months of 1973, only two deaths were reported in accidents involving canoes, kayaks, rubber rafts and other manually propelled vessels. However, for the same period this year, 24 such fatalities were reported.

Canoeists, Kayakers and other such boatmen alone have accounted for 36 percent of all of the State's boating fatalities so far this year, Ricksecker noted, adding: "Not enough emphasis can be placed on the use of common sense on the California waterways. We are asking all boatmen to exercise extra caution during these summer months when accidents are more likely to happen."

Ricksecker also noted that the Dept. of Navigation and Ocean Development will be doing all it can to alert the public to the consequences of boating carelessness, and is currently preparing a free safety pamphlet for canoe and kayak enthusiasts.

A copy of this pamphlet may be had by writing: Dept. of Navigation and Ocean Development, 1416 9th St., Room 1336, Sacramento, CA 95814.

BBB Offers New Consumer Guides

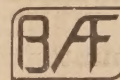

New consumer guides for buying are available from your Better Business Bureau. For your complimentary copy of any of the following new guides, identify the pamphlet(s) you want and send a stamped, self-addressed envelope to Pamphlets/BBB, 360 22nd St., Oakland, CA., 94612.

"Tips on Slide Projectors" . . . there is a wide variety of projectors on the market. Since new models are frequently being introduced by manufacturers, it is important to determine just what is available and to decide what will satisfy your particular needs. This booklet can not pinpoint the exact model, but it is intended to give you basic information.

"Tips on Tires" . . . your tires are what separate you—and your automobile—from the road. Excessively worn tires, damaged tires, underinflated or over-loaded tires—are all dangerous. Properly selected and cared for, your tires can add to your driving pleasure and safety and can save you money besides. Here's a buying aid that uncomplicates auto tire purchases.

"Tips on Renting a Car" . . . sometimes it is convenient having an "instant" auto, when and where you need it. Like many fast-growing services, the auto rental field provides many options for the customer and he may be confused. This booklet will serve as an introduction to the convenient world of car renting and as a guide to getting the most service for your money.

"Tips on Sales Contracts" . . . not all contracts are as far-reaching as the marriage contract . . . nor should any other contract let you in for so many unknowns and unpredictable adventures. When you and the seller sign an agreement requiring him to perform a service or deliver a product and you to pay money, you are both entering a contract. Before you undertake such binding obligations, you should know everything you can about them. This booklet tells you "what to watch out for" and "what should a contract contain."

A pilot course for mothers of infants less than a year old and expectant mothers, will begin Tues., Sept. 25, at the Berkeley Chapter of the American Red Cross.

The class will deal with child development and physical and emotional changes experienced by the new mother.

Health care and other facilities available to new mothers, as well as the purchasing of toys and baby equipment at reasonable prices, and the possibility of arranging baby-sitting exchanges will be among other topics of common interest to be discussed in an informal class setting.

Co-sponsored by the Berkeley Red Cross chapter and the Berkeley Public Schools Adult Education Department, classes will meet over a period of nine weeks, from 10 a.m. until noon on Tuesdays, at Berkeley Red Cross headquarters, 2116 Allston Way, Berkeley. Babies in pre-crawler stage will be welcome.

Advance registration is required and a \$2 charge will be made for materials. To register, or for further information, please call Mrs. Deborah Capwell, 526-5116 or the Berkeley Red Cross office, 845-1430.

A few suggestions about furnaces that will warm your inside.

Start getting ready for winter by giving your furnace a good once over. Make sure that the gas burners, air openings and controls on your furnace—particularly wall furnaces—are free of dirt and lint. A clean and properly adjusted furnace is both efficient and safe.

Next, be sure that your clogged furnace filters are either cleaned or replaced. A clogged filter wastes energy and increases the cost of heating.

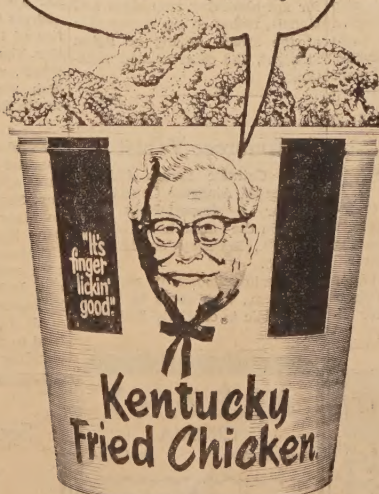

Be doubly sure that there is no gas accumulation before lighting a burner. If you discover or even suspect a gas leak, call PG&E immediately. One of our servicemen will be glad to come out and check the situation. And if you ask, he'll show you where your pilots are located and how you can about relighting them.

And of course, if repairs or parts are needed, call your appliance or furnace service man. PG&E

Church News

The Vestry of St. Alban's Episcopal Church is pleased to announce that the Rev. Warren DeBenedictis has accepted the call to become its minister beginning October 1, 1973. Father DeBenedictis is presently the Rector of St. Thomas' Church, Sunnyvale, California where he has served for 13 years. He will be accompanied by his wife, Sally; son, Steve and daughters, Patti and Susan. Dogs, horses and Stanley, and St. Thomas, the cat, complete the family.

During the five Sundays in September a series of guest clergymen will be featured. The Rev. David Stone, who conducted the daily morning weekly service during Lent was the officiant at the 8 a.m. and 10 a.m. services on September 2.

The Richmond Gospel Mission, will be the guest speaker this Sunday at the 11 a.m. and 7 p.m. services of the First Baptist Church. Mr. Lee has spoken several times at the church, which is a strong supporter of the ministry of the Richmond Mission. The Senior Choir will be returning from vacation this Sunday to once again minister through music. Mr. James Hendrick will be the Layman-in-charge for this Sunday. Sunday School will be held starting at 9:45 a.m. for all age groups.

The Youth Choir will hold its first rehearsal for the season on Sunday evening at 6:30 p.m. The group will be singing at the 7 p.m. service each Sunday starting this week. The choir is comprised of interested Junior and Senior High young people.

Red Cross Needs Volunteer Drivers

An urgent appeal for volunteer drivers has been issued by the Berkeley-Albany Chapter, American Red Cross.

"Because of a critical shortage of volunteer drivers at the present time we are having to turn down many of the requests for transportation we receive," said Mrs. Owen Dyer, chairman of the Transportation program at the Red Cross.

Last year the Berkeley-Albany Red Cross provided essential

transportation for 3,264 community residents unable to use public conveyances, as well as transportation needed to carry on Red Cross programs.

A volunteer driver must be between the ages of 17 and 70, have a current California driver's license and pass a routine driving test in a Red Cross station wagon.

Please contact the Berkeley-Albany Red Cross (845-1430), 2116 Alston Way, Berkeley, for information.

towards a Bachelor of Business Administration degree in accounting. We wish them both "lots of luck."

The "weeks" are upon us again and, just in case you are interested Sept. 2-8 has been declared "Union Label Week," by the Council; the weekend just passed was "New Jerry Lewis Muscular Dystrophy Telethon" weekend, and next Sunday will be "Camp Fire Day" in Albany. What's next???

According to Chuck Silvera, manager of the Albany Branch of the Mechanics Bank, "Money may talk, but today's dollar does not have cents enough to say very much!"

That's so, says one of his depositors—but even though money isn't everything, it sure comes in handy when you've misplaced your credit cards.

Sure wish we had time to retire and be a Senior Citizen. Lo-

cal Seniors must be having a swinging time, if they participate in only a small portion of the activities available to them.

A Special Events Bulletin for Senior Citizens, published by the Senior Citizens Coordinating Council in Oakland, lists such activities as the Oregon Shakespeare Festival Tour, a Mini Hong Kong Tour, Car Camping in the Feather River area, a trip aboard the Fort Bragg Skunk Train, a "Sip and Supper" tour of the Napa Valley Wine Country, several Reno Fun Train Trips, a three-day party cruise on the "Island Princess," a Sacramento River cruise and dinner, and even a trip to Glen Ellen and the Jack London Museum there.

And this is just a partial list of the September activities . . .

Beware of 'Boiler Room' Fund-Raisers

"Boiler room" telephone operations, an old method of fraudulent fund-raising, are on the upsurge nationally.

A majority of those operations originate in Los Angeles where the local Better Business Bureau has recorded an unusually large number of complaints.

"Boiler room" schemes involve telephone solicitations on a commission basis. The pitchman masquerades as an advertising manager or a representative of an agency. Calls are made locally or all over the country to top executives or owners of businesses. A spiel for the purchase of advertising in a little-known, non-existent or minority group publication with emphasis on equal opportunity or civil rights makes the company an easy mark. The request for contribution is usually in the amount of whatever-the-traffic-will-bear category.

A current pitch gives the impression that equal rights laws require a business to reach minority groups by way of advertising. This is grossly untrue.

B. Charles Wansley, president of the Better Business Bureau/Eastbay, warns that every effort should be made to verify the publication or advertising agency. Make sure the solicitation is legitimate. (1). Get the solicitor's name and phone number. (2). Request all advertising offers be made in writing. (3). Ask for sample copies in a sworn statement attesting to the publication's circulation. (4). Check your advertising records to see if advertising was placed previously. (5). Check with the Better Business Bureau, 839-6661, before committing yourself or your organization.

GOLD BEACH

Gold Beach in Curry County, Ore., is reported by National Automobile Club to have derived its name from the gold washed down there by the Rogue River.

Debbie Foley Is Engaged

Mr. and Mrs. Robert J. Foley of Lafayette have announced the engagement of their daughter, Deborah Susan, to Mark Meredith Church of Millbrae.

Debbie, who bowed at the 1971 Winter Ball in San Francisco, is a graduate of Anna Head School in Oakland, and is entering her junior year at the University of the Pacific in Stockton, where she belongs to Kappa Alpha Theta sorority.

The bride-elect's father, former Albany City Attorney, is president and senior attorney of the law firm of Foley, McIntosh and Foley, with offices in Albany and Orinda. She is the granddaughter of Mrs. Josephine Foley of Albany and Mrs. Austin T. Park of Redlands.

Mark, son of Mr. and Mrs. Marvin Church of Millbrae, graduated "magna cum laude" from the University of the Pacific in Stockton, and was president of his fraternity, Phi Kappa Tau. He plans to enter McGeorge School of Law in Sacramento in the fall.

His father is Clerk-Recorder for San Mateo County. No date has been set for the wedding.

East Bay Display 'Buses of Future'

Three scale models of "buses of the future" will be exhibited in the East Bay this week, to give residents an idea of what they'll be traveling around in a few years from now.

The free "transbus" exhibit is scheduled for the north end of the 19th Street BART station in downtown Oakland, Thurs. and Fri., Sept. 6 and 7, marking the first time the rail and the bus systems have joined in a transit display.

The models will illustrate newly-designed buses now being developed by three major manufacturers, under a unique, federally sponsored competition.

The scale models being displayed across the country, will give transit users a preview of engineering advancements, and will include: steps only six inches from curb level, a wider front door, improved lighting and a "kneeling" feature through the use of an air bag suspension system to lower buses when passengers enter, as well as passenger area improvement such as increased leg room, temperature control and larger tinted windows.

One model will also be fitted with experimental devices, such as electrically controlled ramps and lifts, enabling passengers in wheelchairs to board.

Still Time To File Tax Claim

More than 243,000 California residents over 62 years of age have already filed 1973 claims for reimbursement of a portion of the 1972-73 property taxes, under California's Senior Citizens Property Tax Assistance Law, according to State Controller, Houston F. Flournoy.

Reimbursements to date total \$43 million for an individual average of \$205, Flournoy said. Under the senior citizens law, up to 95 per cent of the property taxes can be reimbursed, depending upon the individual's income.

To be eligible for Senior Citizens Property Tax Assistance, claimants must be over 62 years of age, own and occupy their home, have paid property taxes on the home and have an income of less than \$10,000.

Qualified individuals may obtain forms from any Senior Citizens Property Tax Assistance office, or by writing to Senior Citizens Property Tax Assistance, P. O. Box 1588, Sacramento, CA 95807.

Mrs. Jean Rutherford is at the Albany Senior Center from 1 to 4 p.m. on Tuesdays, to help those needing aid in filling out these tax assistance forms. Please call the Center, at 526-1601, for further information.

Deadline for filing claims is midnight, Oct. 15.

Albany Youth Choses Life Of Israeli Pioneer and Soldier

By Deborah Blank

Bruce Schreffel, Albany High School's Student Body President in 1968-69, has chosen the life of an Israeli farming pioneer and soldier. Bruce, the son of Mr. and Mrs. Jack Schreffel of 971 Curtis Street, emigrated to Israel in June, after graduating from U.C. Berkeley with a B.A. in Anthropology.

Bruce is now a member of a new Kibbutz (an Israeli cooperative farm) composed of Israelis, Americans and Canadians, called "Gorin HaGolan." His farming settlement plans on putting new life into the Golan Heights, an area which has been barren for over 1,400 years. The only signs that man has previously been in this area, are the Syrian Army subterranean bunkers, remnants of the Israeli/Arab Six Day War in 1967. Bruce's Kibbutz plans on using these bunkers to grow mushrooms and sprouts!

The Kibbutz, situated on a plateau 1,500 feet above sea level, with an inspiring view of the Sea of Galilee, will raise dairy cattle, sheep, horses, poultry, as well as grains, melons, cotton and nuts. Eventually the group plans on building a factory to produce musical instruments, out of the rare wood found in the Golan Heights.

Because of the strategic location of the new Israeli settlement, which is located near the Syrian border, all members, whether male or female, must participate in military training with the Israeli Army. Upon completion of an intensive Hebrew language course, Bruce and his fellow "Kibbutzniks" (members of the Kibbutz) will begin their training with the army.

Albany 'Y' Plans Kindergym Classes

Pre-school gym classes, for youngsters 1½ to 5 years of age, will be offered at the Albany YMCA beginning Tues., Sept. 11 and Thurs., Sept. 12. Class times for both days will be held at 10:30 a.m., noon and the afternoon class at 1:30 p.m.

Based on the German theory of basic movement education, participants will learn to jump, balance, tumble, swing on rings and a trapeze, plus basic co-ordination on a trampoline.

Along with these basic skills, the children will also learn to develop confidence in themselves. All six sessions will have a limited enrollment of 20 children per class. Parents may register their children by calling the Albany YMCA at 525-4447.

Gym classes for six and seven year old children will also begin at the Albany "Y" on Sept. 11 and 13.

These Mini-Set sessions will emphasize beginning tumbling, gymnastics and trampoline, with class time set for 3:30 to 4:30 p.m.

Parents may also register their children for the Mini-Set classes by calling the "Y" at the above number.

Tips On Home Repairs
For Want Of A Nail
New York (ED)—The rhyme "for want of a nail the kingdom was lost" could apply to you, if you're negligent about making minor repairs around your castle. The Aluminum Association suggests a few places to check periodically where use of a few nails may eliminate major problems.
• **Roof shingles.** Make sure they are securely fastened. Loose shingles on the roof could lead to costly water damage after a rain. Use flat-headed, 1 1/2-inch aluminum nails with either plain or special grip shanks.
• **Gutters.** Refasten loose rain gutters before leaks occur. Your best bet are 7-inch aluminum gutter spikes.
• **Fencing.** Assure an attractive appearance by keeping those wooden planks together. When a board becomes loose, re-nail before you lose the plank. Several aluminum nail sizes and styles are good for fencing, with the "common" style the most widely used.
There are dozens of other do-it-yourself repairs that you can handle with a hammer and aluminum nails. But use the best nails. Ordinary nails begin rusting almost immediately upon exposure to moisture, so learn the nail do's and don'ts.
• **Do use aluminum nails on exterior jobs—**and pick the right style and size for the task.
• **Don't worry about painting aluminum nails;** they form a coating which gives all-weather protection. And they come in a variety of colors to match your job.
• **Don't use cost-per-pound as a price guideline.** You get about three times as many aluminum nails as ordinary nails. Though they're lightweight, you can hammer the aluminum variety as ruggedly as you would any other nail.

NOTICE IS HEREBY GIVEN THAT KARL E. ZAPP has filed herein a petition for probate of the will of the above named decedent and for issuance of letters testamentary thereon to said petitioner, reference to which is made for further particulars, and that the time and place of hearing the same has been set for SEPTEMBER 27, 1973, at 9:30 a.m. in the courtroom of Department No. 4 of said Court, located on the Third Floor, Administration Building, 13th and Oak Streets, Oakland, California.
DATED: August 31, 1973.

Over \$8 Million for UNICEF

Ten-year-old Theresa Navarro hands a check for \$8,050,000, payable to the United Nations Children's Fund, to UN Secretary-General Kurt Waldheim. Theresa and her fellow students at New York's P.S. 173, Raphael Strauss (left) and Wendy Brumsey, joined millions of U.S. youngsters in the annual Trick or Treat collection for UNICEF last Halloween. Other contributions and income from the 1972 sale of greeting cards by thousands of volunteers brought the total raised by the U.S. Committee for UNICEF over the past 20 years to more than \$83 million.

How To Keep From Being Burglarized
Coming back home can be almost as great as going away on vacation.
For unfortunate motorists, however, the joy of again seeing familiar surroundings soon turns into despair. Their houses have been burglarized.
Before you leave on vacation, see that your home appears less inviting to burglars, appears as full of life as possible. To keep it from seeming deserted, stop such regular deliveries as milk and newspapers. Have the post office hold or redirect your mail. Lock all windows and doors but don't lower shades. And get a timer switch that turns a light on at night and off in the day.
It's great to return to a home that's in the same condition as you left it.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Education of the City of Albany and of Albany Unified School District of Alameda County hereby calls for sealed proposals to be delivered to the Secretary of said Board at the office of said Board in the Administration Building of said school district, located at 904 Talbot Avenue on Solano Avenue in Albany, California, until the 25th day of September, 1973, at 8:00 o'clock p.m., at which time and place said bids will be opened for the furnishing of all labor, materials, equipment, mechanical workmanship, transportation and services required for the construction and completion of Marin Elementary School and Additions and Alterations to Existing Building (Unit II) to be located on a site on Marin Avenue between Curtis Street and Santa Fe Avenue in the City of Albany, Alameda County, California, for the Albany Unified School District of Alameda County.

Bidders must bid on the base bid and all alternate bids set forth in the proposal form.

These bids shall be presented in accordance with plans and specifications for said work prepared by Corlett and Spackman, Architects, 121 Second Street, San Francisco, California, which are on file at the said office of said Board located as above mentioned.

On deposit of Forty and No/100 Dollars (\$40.00) said plans and specifications may be had by any prospective bidder for the work above mentioned on application to said architects, and the said deposit will be retained by said district as agreed and liquidated damages for said mutilation or detention.

Bids must be made on bid forms obtained at the said office of said architects and must be signed by the bidder and accompanied by a bid bond in the form procured from said office, duly executed by the bidder as principal and a corporation authorized to do business in the State of California as surety naming the Albany Unified School District of Alameda County as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank

of the State of California, or on a national bank doing business in the State of California, in the amount of Ninety Thousand and No/100 Dollars (\$90,000.00), and made payable to the Albany Unified School District of Alameda County. Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award and to file the required bonds the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said bid bond either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon will be retained by said district as agreed and liquidated damages.

The contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said bid bond either thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holiday and overtime work, for work of a similar character in the locality in which the work is performed, to wit: said school district, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by said Board and which is now on file in the office of said Board and by reference incorporated and specified herein and made a part hereof, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted for each craft or type of workman or mechanic needed to execute this contract, is herein specified as follows:

PREVAILING HOURLY WAGE RATE	OF WORKMEN

Overtime, Saturdays, Sundays and holidays to be paid in accordance with the union wage scale in effect at the time for each craft or trade.	

In addition to the hourly and/or per diem wages for the crafts, classifications or types of workmen listed above, contractors shall be required to make employer payments for health and welfare, pension, vacation and similar purposes and the payment of travel and subsistence payments as required by the executed collective bargaining agreements for the particular craft, classification or type of work involved.

The working day shall be eight hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day. When less than the number of hours constituting the working day, as herein stated, is worked, the wage to be paid shall be the hourly rate multiplied by the number of hours actually worked.

All skilled labor not listed above that may be employed is to be paid not less than the union wage scale for such labor and in no event to be paid less than Five and 43/100 Dollars (\$5.435) per hour.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Properly indentured apprentices may be employed upon this work in accordance with the state law. Such apprentices shall be properly indentured as called for by law and shall be paid not less than the standard wage paid to apprentices under the regulations of the craft or trade at which they are employed. An apprentice shall be employed only at the work of the craft or trade to which he is indentured. Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards and written apprentice agreements under Chapter 4 (commencing at Section 3070), Division 3, of the Labor Code, are eligible to be employed on public works, and their employment and training shall be in accordance with the provisions of such apprenticeship standards.

and apprentice agreements under which they are training.

Attention is directed to the provisions in Sections 1777.5 and 1777.6 of the Labor Code concerning the employment of apprentices by the Contractor or any subcontractor under him.

Section 1777.5 requires the Contractor or subcontractor employing tradesmen in any apprenticeship occupation to apply to the joint apprenticeship committee nearest the site of the public works project and which administers the apprenticeship program in that trade for a certificate of approval. The certificate will also fix the number of apprentices or the ratio of apprentices to journeymen that will be used in the performance of the contract. The ratio of apprentices to journeymen in such cases shall not be less than one to five except:

A. When unemployment in the area of coverage by the joint apprenticeship committee has exceeded an average of 15 per cent in the 90 days prior to the request for certificate, or

B. When the number of apprentices in training in the area exceeds a ratio of one to five, or

C. When the trade can show that it is replacing at least 1/30 of its membership through apprenticeship training on an annual basis state-wide or locally, or

D. When assignment of an apprentice to any work performed under a public works contract would create a condition which would jeopardize his life or the life, safety, or property of fellow employees or the public at large, or when the specific task to which the apprentice is to be assigned is of such a nature that

training cannot be provided by a journeyman, or

E. When the Contractor provides evidence that he employs registered apprentices on all of his contracts on an annual average of not less than one apprentice to eight journeymen.

The Contractor is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in any apprenticeship trade on such contracts and if other contractors on the public works site are making such contributions.

The Contractor and any subcontractor under him shall comply with the requirements of Sections 1777.5 and 1777.6 in the employment of apprentices.

Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex officio the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

The Board reserves the right to reject any and all bids, or any or all items or alternates or proposals of such bids.

No bidder may withdraw his bid for a period of thirty (30) days after the time set for the submission of bids, and the Board will act to accept or reject the successful bid within that period of time, unless state funds have been allocated for the work by the Office of Local Assistance, Department of General Services, in which event no action will be taken by the Board until such bid is acted upon by said Office of Local Assistance.

6 . . . The ALBANY TIMES

Wednesday, Sept. 5, 1973

and no bidder may withdraw his bid prior to the expiration of one week after receipt by said Board of notice of the action taken by said Office of Local Assistance.

By order of said Board, August 16th, 1973.

Preschool Fall Program Opening

The Albany Preschool fall program will begin on September 5. The school is located at 850 Conic. This is a parent-cooperative nursery school which is sponsored by the city of Albany. Any residents between the ages of two years-nine months to five years of age are eligible. The morning session is from 9:15 to 11:45 and is designed for the younger children. The afternoon session is from 1:00 to 3:45 p.m. and is open to children who will be in kindergarten in the fall of 1973.

Parents participate with their children three weeks out of four. This participation enables the school to offer a variety of activities in their program including: arts and crafts, music, cooking, science and nature activities, field trips, and general playground activities. Parents work with the Director, Bobbie Steinhart and Assistant Director, Marilyn Rie.

Parents will also be required to attend approximately two evening meetings each month. These meetings will be for the purpose of organizing general activities of the preschool as well as providing useful information about child development.

For further information contact Betty Mowers, membership chairman, 526-0762.

Exercise Is Fun For Women At 'Y'

Local ladies are invited to sign up for the popular ladies exercise class at the Albany YMCA, to join a happy and stimulating group learning rhythmic exercises and movement sequences, designed for toning, firming and reshaping the body, enhanced by lively music. The one hour classes, held twice weekly at the Y, 921 Kains

Ave., from 10:30 to 11:30 a.m., will begin Wed., Sept. 12 and Fri., Sept. 14. Classes will conclude with yoga and relaxation postures and exercises, aimed toward reducing physical and mental tension and fatigue.

Those interested may register for one class a week, or for both classes. Rates are reasonable, and child care will be provided for a nominal fee of 25 cents per child. For more information, please call the "Y" at 525-4447.

TROUT FISHERMEN

Licensed trout fishermen in California, reports the National Automobile Club, number more than 1,000,000.

New Police Chief Is Guest Speaker

Albany Police Chief, James Simmons, will be guest speaker at the fall meeting of the Albany Republican Assembly, Wed., Sept. 12.

The meeting will be a pot-luck dinner, to be held in the dining room of the Albany Methodist Church, Stannage and Marin Avenue, beginning at 6:30 p.m., according to Harold Van Coops, Assembly President.

In line with its intended purpose of keeping people informed on local issues and developments,

the program will present the new Police Chief to the local group for the first time.

Mrs. Van Coops, hostess for the affair, urges all who plan to attend to make reservations by calling 526-7239. The public is cordially invited.

SKIN DIVING

For the thrill of the unknown, a great number of skin divers in central and northern California explore the mysterious underwater world of colorful coral reefs and teeming strange forms of life.

From Pismo Beach to the Oregon border, points out the Na-

tional Automobile Club, skin divers increased by 430 percent from 1960 to 1972.

Besides aiming for good sport in a hostile environment, they dive for special reasons. Many find that nothing beats the sheer enjoyment of observing nature and of taking underwater pictures.

Skin diving first started becoming popular in the United States following the invention of the equalizing during World War II.

AQUALUNG

The invention of the aqualung

during World War II, according to the National Automobile Club, had much to do with the popularity of skin diving in the United States.

DRIVING IN MEXICO

To those of you planning on driving around Mexico, National Automobile Club suggests that you fill up your gas tank every time it becomes half empty.

All owned by the Mexican Government, the gas stations generally lie about 75 miles apart. And you wouldn't like to find yourself stranded somewhere without help in sight. That could be quite some walk.

Partners for Progress

The American standard of living doesn't just happen. It depends on a partnership of growth between hundreds of thousands of companies producing goods and services worth nearly two trillion dollars a year . . . and millions of stockholders, many of them with taxable incomes of less than \$15,000 a year. The purchase of stocks by these individual investors gives industry the dollar-power it needs to grow. Equitable capital gains tax laws (taxing people fairly for the growth of their long-term investments) gives stockholders the incentive to keep investing . . . and industry the funds to keep growing.
